A 'POPPER' OF A DEAL

Our winter website design package for bars, restaurants & cafes includes:

- Your choice of template design with your logo & colours
- A 3-page website* including a "Contact Us" or "Booking" form
- An online food and beverage menu that you can easily update and manage on your own
- An image gallery to showcase your venue, your delicious food and your specialties
- The latest in Microsoft technologies to future-proof your website

Work with Indigo - Christchurch's leading web professionals - and get a website designed for results.
